"Restore - Repurpose - Redesign"

with Victoria Robinson

Saturday, April 6

10:30 AM to 1:30PM at ChangePoint Church

Victoria Robinson, star of HGTV's "Home Suite Home" has been involved in pro-life ministry for over twenty years. She has a no-holds barred approach and a message that is timely, humorous, thought provoking and powerful. Victoria shares the heart-wrenching story of her second daughter who was scheduled to be aborted, but survived, and how it has affected her life and touched many hearts. A well-respected author, speaker and leader, she is a self-proclaimed risk taker who feels called to wake up Christian's from complacency.

This event has something for everyone - women and men alike - including silent and live auctions, fun moments with friends, and a great message from our speaker!
